NOTE.—No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published. A List of the Appointments, &c., which have taken place between the 18th and the 21st ultimo inclusive will be found at page 812.

Officers on the Retired List who have commuted their Retired Pay, and Officers of the Royal Marines retired on Gratuities, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

The List of Retired Officers of the Royal Naval Reserve now appears at page 586.

Officers of late Royal Naval Artillery Volunteers must send in annually to the Secretary of the Admiralty, between 1st January and 31st March, a notification of their being alive, otherwise their names will be removed from the List.

The List of these Officers now appears at page 591.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The EDITOR *of the Navy List will be glad to receive any communications in reference to omissions or errors in the List, addressed to him at the* ADMIRALTY, WHITEHALL, LONDON, *and such communications should be marked "On Her Majesty's Service."*

The NAVY LIST *is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.*

By command of their Lordships,

EVAN MACGREGOR.

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible as shown at pages 964 and 965 the Queen's Regulations and Admiralty Instructions of 1899.

LIST OF THE STEAM SHIPS AND VESSELS OF THE ROYAL NAVY, ALSO OF SAILING SHIPS IN COMMISSION, WITH THEIR PRESENT STATIONS.

N.B.—Coastguard Cruisers, Small Steam Vessels, &c. employed in Harbour Service, are shown in separate Lists.

(The Ships are arranged alphabetically. The numbering has no reference to the numbers of Ships on the List of the Royal Navy, being only used to indicate where Officers are serving.)

S. denotes Screw.—P. Paddle Wheel.

****—The Tonnage given are the weights in Tons. The figures showing the Horse Powers of Ships have been revised; they now show the Natural Draught Power as defined by recent Admiralty orders and also the powers that may be expected to be obtained with Forced Draught in ships so fitted.*

The principal reductions shewn occur in the cases of ships with low pressure boilers on which the use of the Steam Blast has been discontinued.

NOTE.—*The letters N.D. against I.H.P. denote Natural Draught Power. The Forced Draught Power is shewn in brackets with the letters F.D. following.*

All Officers whose names are in italics are borne as supernumeraries or additional.
(G) or (G) against an officer's name denotes he is borne for Gunnery duties.*
(T) that he is a Torpedo Lieutenant, or Torpedo Gunner, borne for Torpedo duties.
(N) that he is an executive officer borne for Navigating duties.
(S) that he is a Boatswain borne for Signal duties.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 90 of the Queen's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of Her Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant, the Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships,

Admiralty. EVAN MACGREGOR.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and retired pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and retired pay and gratuity, depend upon actual service.

In making out this List, the following Directions are to be carefully observed :—

I. The List to be made out in triplicate, for their Lordships the Commander-in-Chief of whose Flag-Ship Officers are to be borne, and the Accountant-General when Officers are entitled to Full-pay Leave; otherwise it is to be made out in duplicate, for their Lordships and the Accountant-General.

II. Foreign Service in a Ship commences on the date of leaving England, and ends upon her arrival home, the time employed fitting out at home and dismantling after arrival not being reckoned as Foreign Service. If a Ship returns to England and proceeds again to a Foreign Station, the time in England is not to be reckoned as Foreign Service.

III. The Actual Foreign Service only is to be specified in red ink against each Officer. If the Foreign Service of any Officer falls short of *one* year it may be entered in black ink, inserting "nil" in the column for "No. of Weeks' Leave." If an Officer has been checked on leave to England during his service, the period should also be stated.

IV. An Officer taking passage out in a Mail Packet or Private Ship will reckon Foreign Service from date of embarkation for passage out.

V. An Officer returning to England, if entitled to Full-pay Leave after arrival is to be borne on the book of the Flag-ship at whichever port is most convenient to him. The name of such Flag-ship should be inserted in the left-hand corner on the other side of this Form before the Officer embarks for passage to England.

VI. The Full-pay only of the respective ranks will be allowed while on leave, *excluding* Command Money to Lieutenants and Staff-Commanders in Command, Senior and Gunnery Allowances, and all other additions to Full-pay.

VII. No Advance or Payment on Account is to be made by the Paymasters to an Officer while on Full-pay Leave under the Circular; the Pay Tickets are to be forwarded from the Flag-Ship to the Accountant-General, by whom only the time on leave can be investigated and the amount due paid, when the Officer's leave expires.

VIII. By her Majesty's Orders in Council, it is directed that the leave is only allowed at their Lordships' discretion, on return from Foreign Service, as follows :—

For every complete six months' service abroad, provided the absence has not been less than one year . . . . . One week.
For every month served beyond the last period of six months . . One day.
This scale to extend to a period of five years' absence from England.

2. Cases in which the absence from England is less than one year, or more than five years, will be specially dealt with by their Lordships when circumstances, in their opinion, warrant the extension of some special indulgence to an Officer returning to England after such absence.

3. Officers serving abroad, who have official residences alloted to them, or are in receipt of allowance for house rent, and whose appointments are subsequent to the date of the Order in Council of the 18th May 1881, are not to be allowed Full-pay Leave after Foreign Service, whether borne on ship's book or not.

Commodores, when in the presence of Captains senior to them, shall rank and command according to their seniority as Captains.

When Commanders, Lieutenants, or Sub-Lieutenants, who are Seniors to the Executive Officer, are appointed for Navigating duties, they will, in the absence of the Captain, succeed to the command of the Ship; but they are not to take upon themselves the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

Staff-Captains, Staff-Commanders, and Navigating Lieutenants, whatever their rank and seniority may be, are in all matters of command, and in all details relating to the duties of the Fleet, and to the discipline and interior economy of Her Majesty's Ships, to be held subject to the authority of any Officer, not below the rank of Lieutenant, who may be in charge of the executive duties of the Ship, or in charge of any other special service or duty, of whatever seniority such Officer may be.

Officers in Command of Her Majesty's Ships must, on occasions, whether on shore or afloat, take rank and precedence of Officers placed under their Command.

A Ship must always be represented by an Officer of the Military Branch in the following order of command:—

At Courts of Inquiry, Surveys, and other similar assemblages of Officers, the Officer who in virtue of his office would, under these Regulations, take the military command, is in all cases to preside, irrespective of the relative rank of the other members.

Officers who qualify for navigating duties will be required to perform those duties, if called on to do so, until promoted to the rank of Captain.

They will be required to take a share in the ordinary duties of their Ships, such as watch-keeping, acting as Divisional Officers, as in the case of Gunnery Lieutenants. But this participation in the ordinary duties is not to interfere with their special navigating duties, and is to be arranged at the discretion of the Captain.

All Officers of the same denomination in the Military Branch shall rank and command according to the order in which their names stand in the Official List of Officers of the Royal Navy; or, when not inserted in the List, according to the dates of their first Commissions, Warrants, or Orders, in their existing rank; and, if acting only, according to the seniority of their respective acting appointments; but Commanders and Lieutenants serving in a Ship bearing the Flag of a Senior Flag Officer present, or the Broad Pendant of a Commodore of the First Class, being the Senior Officer present, or in the Ship of the Senior Officer of five or more Ships present, shall, when in the presence of, or acting under the immediate order from, such Senior Flag Officer or Commodore, or Senior Officer of five or more ships present and detached on service in company with other Commanders, and Lieutenants of the Fleet or Squadron present, take rank and command respectively of all other Commanders and Lieutenants. Under all other circumstances, Commanders and Lieutenants of Flag Ships, as well as those of other Ships, will take rank only according to their proper seniority.

The Civil Branch shall consist of the undermentioned Officers, and they shall rank in the following order, and with Officers of the Military Branch, as herein expressed:—

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE QUEEN'S REGULATIONS.—1887.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, *as modified by Order in Council of 17th February* 1886, *see* p. 494.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of Her Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of Her Majesty's squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government in England for any particular Service. But when Officers of the Navy are employed on shore, on joint service with Her Majesty's Land Forces, their relative rank shall carry with it all predecence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

Under the regulations formerly in force, the precedence of the Officer in command of Her Majesty's Forces in any Colony, was dependent on the question whether or not he was entitled to administer the Government of the Colony in the absence of the Governor. But the alteration of circumstances has rendered this arrangement in some cases inconvenient or anomalous, therefore it is Her Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedency of Military and Naval Officers in command of Her Majesty's Forces:—

a. The Senior Officer in command of the troops, if of the rank of a General, and the Officer in command of Her Majesty's Naval Forces on the Station, if of the rank of an Admiral, are to have precedency next after the Governor, their own relative rank being determined by the Queen's Regulations on that subject.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant Colonel, and the Officer in command of Her Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the Queen's Regulations on that subject.

c. If below the rank of Colonel or Lieutenant-Colonel, the Senior Officer in command of the Troops, and the Officer in command of Her Majesty's Naval Forces on the Station, are to continue to take rank, as has heretofore been the case next after the Solicitor-General.

IN pursuance of Her Majesty's pleasure, the following are the descriptions of the Uniform to be worn by the Officers of the Royal Navy.

By command of their Lordships,

EVAN MACGREGOR.

EXTRACTS FROM THE QUEEN'S REGULATIONS AND ADMIRALTY INSTRUCTIONS.

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

§ XV.—UNIFORM.

116. The Officers, Men, and Boys of Her Majesty's Fleet and the Royal Marines shall wear such uniform as the Admiralty shall, in pursuance of Her Majesty's pleasure, from time to time direct.

2. The descriptions of the various articles of uniform are specified in the Uniform Regulations, and will be published from time to time in the Navy List.
The prescribed patterns are to be strictly adhered to.

When to be Worn.

117. Every Officer, from the time of his joining the fleet, squadron, or ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Plain Clothes.

2. Permission may be given to the Officers to wear plain clothes on ordinary leave; but at Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their ships may be lying, Officers are to wear the uniform of their rank, as prescribed for the various occasions specified under "Dresses, and occasions on which they are to be worn," and no deviations are to be authorised without special authority previously obtained from the Admiralty.

Subordinate Officers.

3. Subordinate Officers when on ordinary leave are to wear the uniform of their ranks; but permission may be granted to them to wear plain clothes when going into the country, or to ride, shoot, play cricket, or for exercise.

Foreign Ports.

4. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of uniform, as in such cases they can have no right to expect to be recognised as British Officers.

Royal Marines

5. Officers of the Royal Marines are to wear their full dress on the occasions when ball dress and frock coat with epaulettes dress are worn.

Officers on Retired and Reserved Lists.

118. Officers on the retired and reserved lists, whose names appear on the list of the Navy, are permitted to wear the uniform of their respective ranks on State and other occasions of ceremony.

§ XVIII.—WEARING DECORATIONS AND MEDALS.

Wearing Decorations and Medals.

128. Her Majesty approves of the following regulations as to wearing decorations and medals:—

Knights Grand Cross.

1. The insignia of Knights Grand Cross of orders, consisting of the badge suspended from a broad ribbon over the shoulder, and the star, are to be worn with full dress and ball dress; with the former the ribbon should be worn under the epaulette and sword belt; with the latter, under the coat and over the waistcoat. With full dress, on collar days, the collar takes the place of the ribbon.

2. With frock coat and epaulettes the star of the order only is to be worn. With frock coat the star may be worn at discretion.

3. With uniform coats other than full dress and ball dress the ribbon of a Companion of the Order is to be worn (*see* clause 20) except that with mess dress, miniature badges (not stars) may be worn in lieu, and with mess undress, miniature ribbons.

Knights Commander.

4. The insignia of Knights Commander of orders, consisting of the badge suspended from a ribbon round the neck, and the star, are to be worn with full dress, ball dress, and frock coat with epaulettes. The ribbon should be worn inside the collar of the coat, the badge being suspended 2 inches below the lower edge of the collar.

5. With the frock coat the star only may be worn at discretion.

6. With uniform coats, other than full dress and ball dress, the rules laid down in clause 3 are to be observed.

Badges of Companions of orders, and medals

7. The badges of Companions of orders, are to be worn, together with medals, with full dress and ball dress, but under the circumstances stated in clause 15, miniature badges and medals may be worn with the latter dress.

8. With all other uniform coats the rules laid down in clause 3 are to be observed.

Decoration bar.

9. The several decorations and medals, are to be worn on the left breast in one horizontal line one inch below the point of the shoulder, and suspended from a single bar, of which no part to be seen.

Order in which decorations and medals are to be worn.

The following is the order in which they are to be placed on the bar, commencing with the end furthest from the shoulder.

a. British decorations in order of seniority.

b. British medals in order of date.

c. Foreign decorations in order of date.

d. Foreign medals in order of date.

Jubilee medal.

11. The Queen's jubilee medal takes precedence of all other medals.

Order of St. John of Jerusalem.

12. The badges of the order of St. John of Jerusalem in England are to be worn between British medals and foreign decorations.

Good conduct medal.

13. The good conduct medal comes after all British medals. Chief Gunners, Chief Boatswains, Chief Carpenters, Warrant Officers and Chief Officers of Coast Guard, who have been awarded this medal prior to their promotion, are to wear it as here directed.

Length of bar in full dress.

14. On the full dress coat the bar must not project beyond the centre seam, and when the decorations and medals cannot be suspended from the bar so as to be fully seen, on account of their number, they are to overlap, the highest showing in full.

Length of bar in ball dress.

15. With ball dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of decorations and medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Buckles of Companions of orders.

16. The buckles of the Companions of the orders of the Bath and of St. Michael and St. George, as part of the decoration, are to show half way between the upper and lower edge of the ribbon.

Humane Society's, and other similar medals.

17. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

Description of bar.

18. In all cases the bar for the suspension of decorations and medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided the bar and the buckle are wholly concealed by the ribbons.

Length of ribbons.

19. The ribbons of decorations and medals are to be of the following lengths—

a. When decorations and medals are worn :—

Full size	..	..	..	1 inch
Miniature	..	..	..	¾ inch

b. When ribbons alone are worn :—

Full size	..	..	..	½ inch
Miniature	..	..	..	⅜ inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

20. When ribbons, either full sized or miniature, are required to be sewn on the uniforms, the same order of arrangement is to be followed, as that laid down in clause 10, for decorations and medals. Knights Grand Cross and Knights Commander will however add the ribbon of a Companion of the order, or orders, to which they belong (*see* clauses 3 and 6). The ribbons are to be sewn plain on the cloth of the uniform, without intervals; and should the space between the shoulder to the edge of the lapel be insufficient to accommodate them in one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other, with an interval of ½ inch between each row.

Ribbons worn with White Uniform.

21. When worn with White Uniform the ribbons are to be placed on a moveable bar.

Miniature decorations and medals.

22. Miniature decorations and medals are to be arranged on a bar in the same manner and order as full sized decorations and medals. Knights Grand Cross and Knights Commander will wear thereon, senior to all other decorations, the miniature badge of the order, or orders, to which they belong, omitting the buckle in the case of the orders of the Bath and of St. Michael and St. George.

23. If necessary the bar should extend over the lapel of the coat

Decorations, &c., may be worn with plain dress.

24. Decorations and miniature decorations and medals are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family, or of Viceroys and Governors-General, and on public and official occasions.

Retired Officers.

25. Retired officers are authorised to wear decorations and miniature decorations and medals in evening dress on all public and official occasions.

8 NOTES TO DRESS REGULATIONS FOR SHIPS COMPANIES.

(1.) By *collars*, is to be understood the detached blue jean collar.

(2.) *Neck-handkerchiefs* are always to be worn except by men employed coaling and refitting. They are to be tied behind under the collar, the bight in front being confined by the strings, which having been first tied together are to be tied tightly in a bow over the handkerchief, leaving a bight of it about three inches long; the handkerchief should thus be *firmly* secured to the frock or jumper.

(3.) *Knife lanyards* with *knives* attached are to be worn by all men wearing seamen's dress.

(4.) *Caps* are always to be worn, except as shown in paragraph 5.

(5.) *Hats* are to be worn (*a*) During the summer season, weather permitting, with blue clothing; on occasions of ceremony, and on Sundays on board ship and in barracks as ordered by the Senior Officer present. (*b*) Always with No. 6 dress. (*c*) At any time as a protection from the sun, if ordered by the Senior Officer present. *Hats* are not to be worn at sea unless specially ordered as a protection against the sun.

(6.) *Cap covers* are always to be worn when any white clothing is worn, and always with white working dress; they may also be worn with blue clothing if considered necessary as a protection against the sun, if ordered by the Senior Officer present.

(7.) *Ribbons* on hats and caps are to be worn with the name straight in front and tied in a bow over the left ear—the ends being three and four inches long respectively—the shorter end being in front.

(8.) *Jerseys* are to be worn with blue clothing, and with white working rig during cold weather, as regulated by the Senior Officer present. [*In England, when once commenced, their use should be continued until about the beginning of April.*]

(9.) *Comforters* are only to be worn during exceptionally cold and raw weather, and during night watches;* during the day time they are only to be worn when specially ordered,—or by individuals, temporarily, on the Medical Officer's recommendation;—they are to be worn as follows—one turn round the throat and a half hitch and the ends tucked in inside the frock.

(10.) *Monkey jackets* are to be worn by men on duty or leave in cold or wet weather, as ordered. During the day time, except when raining, the blue jean collar is to be worn outside. Petty Officers and Leading Seamen and equivalent ratings are to wear their badges of rating embroidered in red on their monkey jackets. No other badges are to be worn on them.

(11.) All *frocks* and *jumpers* are to be cut down ten inches from the collar, the strings being eight inches below it; and on no account is any deviation from this to be permitted.

It is important that the junction of the Sleeves with the body should be sufficiently above the elbow to allow a clear space between it and the elbow, for the Badges to appear mid-way between the shoulder and the elbow. (*See* Article 10.)

(12.) *Boots* or *shoes* are to be worn when men are in blue clothing, except when decks are wet, and in hot climates

(13.) No *boots* or *shoes* but those of a strictly uniform pattern are allowed to be worn by anyone either on shore or on board.

Badges.

9. All Petty Officers and Men are to wear the Badges denoting Rating, and Good Conduct, and indicative of Special Qualifications and Duties, to which they are entitled, as hereinafter described:—

10. Except for Chief Petty Officers (*see* Article 51) Badges denoting Ratings are to be worn on the left arm, and those indicating Special Qualifications or duties on the right arm midway between the shoulder and the elbow, and as described in sketches No. 1 (Frocks), and No. 2 (Jumpers).

11. The Crown as the emblem of Authority is combined with all Petty Officers' and Instructors' Badges as well as the Police Badges.

12. All Petty Officers, Seamen, or Marines who are temporarily employed on Police or Patrol duties, are to wear the Police Badge on the left cuff, whilst actually on duty.

Badges of Rating.

13. The following are the *Badges of Rating*:—

(a.) First-class Petty Officers, cross anchors surmounted by a crown.

(b.) Second-class Petty Officers, an anchor surmounted by a crown.

(c.) Leading Seaman and Shipwright, an anchor.

Good Conduct Badges, &c.

14. *Good Conduct Badges* are to be worn on the left arm immediately below the Badge of Rating, and to be of the following dimensions, viz.:—$\frac{1}{2}$-inch deep, 5 inches across

To be hemmed on to a cloth and drill foundation respectively, yellow thread being used for gold badges, red thread for red badges, and blue thread for blue badges.

The edges of the foundation are to be quite plain and are to be $\frac{1}{16}$ of an inch from the Badge.

When more than one Good Conduct Badge is worn, the distance between them is to be half an inch measured perpendicularly.

15. Good Shooting Badges are to be worn by all Marksmen just above the right cuff.

16. *Badges, Material.*—All Badges worn on cloth and best serge frocks are to be embroidered in gold, those on serge in red worsted, and those on white in blue cotton.

Distinguishing Badges.—General Remarks.

17. A star above the Badge in every case indicates a man of superior qualifications, and another star below denotes that the man has passed for and is performing certain special duties.

18. So as not to necessitate all badges being changed when a special qualification is altered, in all cases except in that of a signalman who has passed for highest grade, the lower stars being liable to alteration are independent of badges and capable of being sewn on or removed as necessary. Stars are supplied separately for this purpose. Spare crowns are also supplied separately, so that in case of a man being rated an "Instructor," the badge already in his possession can easily be altered.

19. In sketches of badges, Gun superior indicates a Gunnery Rating. Torpedo superior indicates a Torpedo Rating. The Gun, or Rifle, when worn, is always to point away from the body.

20. The following is a descriptive list of badges indicative of special qualifications or duties, viz.:—

*Gunnery Instructor—Cross Gun and Torpedo, Star and Crown above. Gunnery Instructor (not having been through Torpedo Course)—Badge of S.G. 1st Class, with crown above.	If also "Captain of Turret" a star is to be worn below in addition.

ENTRY AND EXAMINATION OF OFFICERS.

REGULATIONS RESPECTING NAVAL CADETS.

For the Information of Candidates.

1. Appointments to Naval Cadetships will be made by limited competition, with the under-mentioned exceptions:—

Six Cadetships given annually to sons of gentlemen in the Colonies, on the recommendation of the Secretary of State for the Colonies.

Service Cadetships, the total number of which is not to exceed seven in any one year. Service Cadets will be selected by the Board of Admiralty from (*a*) sons of officers of the Army, Navy, or Marines who have been killed in action, or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, (*b*) sons of officers of the Navy who have performed long or distinguished service, and who hold or have held rank or relative rank on the Active List not lower than that of Commander; not more than three Service Cadets will be nominated annually under Clause (*b*).

Applications for Service Cadetships should be addressed to the Military Secretary, Horse Guards, if the candidate is the son of an officer of the Army; to the Secretary of the Admiralty, if the candidate is the son of an officer of the Navy or Marines; and to the Military Secretary, India Office, if the candidate is the son of an officer of the Indian Army.

Colonial and Service Cadets will be entered on qualifying as specified in paragraph 10, and will in all other respects be subject to these Regulations.

Candidates must be of pure European descent, and the sons either of natural born British subjects, or of parents naturalized in the United Kingdom.

If any doubt arises upon this question, the burden of clear proof that he is qualified will rest upon the Candidate himself.

The educational examination of all candidates will be conducted by the Civil Service Commissioners (address 64, Victoria Street, London, S.W.), who will deal with all questions connected with such examination, and will announce the results. A fee of £1 will be required from each candidate.

2. Except in special circumstances not more than one-third of the number of candidates actually presenting themselves before the Civil Service Commissioners will be entered.

3. All nominations of candidates for Naval Cadetships are made by the First Lord, with the exception of a limited number which are at the disposal of individual members of the Board, and of the Secretaries to the Board of Admiralty.

A Flag Officer or a Commodore 1st Class appointed to the chief command of a station, or to a separate command, and a Captain, on first appointment as such to the command of a ship, will be allowed to nominate one candidate, provided the privilege is exercised within six months of appointment, and that the candidate is not less than 13 years of age when nominated. The examination of candidates will not take place until they are eligible by age under Clause 6.

No Captain will be entitled to nominate more than one candidate during the time he holds the rank of Captain, but a Flag Officer or a Commodore 1st Class may claim the privilege each time he is appointed to a command as above.

In the event of a candidate's nomination being cancelled before he has commenced the examination, the Officer who nominated him will be allowed to select another candidate for the same or following examination.

4. The Nominations will be made three times a year, as soon as convenient after the report of the last examination has been received from the Civil Service Commissioners.

5. The examinations will be held in London and at Portsmouth, in March, July, and November, about six weeks before the commencement of each term, and the appointments will date from the 15th May, 15th September, 15th January, following respectively, and the terms will commence as shown in Regulation 15.

6. A candidate will not be eligible for the Examination in March who is less than 14¼ or more than 15¼ years of age on the 15th May following, nor for the Examination in July or December who is not within those limits of age on the 15th September or 15th January following, respectively.

7. Every candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and in all respects well developed and active in proportion to his age. Before being examined by the Civil Service Commissioners he will be required to pass the medical examination according to the prescribed regulations, and must have been found physically fit for the Navy; rejection at such examination will finally exclude him from the Navy.

8. The candidate will be required to produce (1) a Registrar's certificate of the date of his birth or a declaration thereof made before a magistrate (a Certificate of Baptism will not be accepted); (2) a certificate of good conduct from the masters of the school or schools at which he may have been educated during the two previous years, or, if educated at home from his tutor or the clergyman of the parish in which he resides; and (3) proofs of good health.

9. Candidates will be examined in the following subjects grouped in Class I. In order to qualify for admission as a Naval Cadet, a candidate must obtain such an aggregate of the marks in Arithmetic, Algebra and Geometry combined, and also in the subjects of Class I. as a whole, as shall satisfy the Civil Service Commissioners.

11. A candidate who qualifies under Class I at his first examination, but does not succeed in the competition, will be entitled to compete at the next examination, provided he is within the limits of age at that time. A candidate who fails to qualify will not be entitled to another trial, but will be allowed to compete at the next examination if he receives a fresh nomination and is still within the limits of age.

12. A candidate who, owing to illness, fails to appear at the examination for which he has obtained his nomination may receive a second nomination, provided he is still within the limits of age.

13. For all Cadets entered under these regulations the payment will be at the rate of 75*l.* per annum for the period in the "Britannia," to be paid every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting, from among the Cadets entered at each examination, a number, not to exceed six, being sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be 40*l.* only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the Cadet.

Applications for the Reduced Scale must be received at the Admiralty not later than 1st January, 15th April, and 1st September.

14. In addition to the annual payments mentioned in the foregoing paragraph, the Parent or Guardian will be charged with the personal expenses incurred by the Cadet for washing, repairing boots and clothes, hair-cutting, pocket-money, &c.

15. The period of training on board the "Britannia" will be four terms; there will be three terms in each year. The first term of each year will be approximately from 14th January to 14th April, the second from 5th May to 5th August, and the third from 16th September to 16th December.

The vacations will be four weeks at Christmas, three weeks at Easter, and six weeks at Midsummer.

16. (*a*) Reports of progress in Seamanship, Mathematics, Navigation, and Technical subjects will be made to the Admiralty at the end of each term, and an intermediate examination will be held at the end of the second term.

(*b*) Cadets who are reported at the end of any term as having made unsatisfactory progress, through idleness or want of attention, will be "warned," and in the event of a second report to the same effect being received, they will be liable to be discharged.

(*c*) Cadets who fail at the final examination to obtain 45 per cent. of the maxima marks in the Mathematical subjects, including the Theory of Navigation and Nautical Astronomy, or in Seamanship, and 40 per cent. in Charts, Instruments, French Steam and Drawing combined, will be ordered to be withdrawn.

(*d*) Reports of conduct will be made to the Admiralty at the end of each term or at any time during the period of training on board, if considered desirable. Cadets who are reported to the Admiralty at any time for unsatisfactory conduct will be "warned," and should they again be reported they will be liable to be discharged. Any Cadet, however, who is reported for unsatisfactory conduct during his final term will be liable to be discharged without being allowed to present himself at the examination for passing out of the "Britannia."

(*e*) Any Cadet who shall at any time appear to their Lordships to be unfit for the Naval Service, for any reason whatever, will be removed from the "Britannia," and it must be understood that this rule will apply to those who are considered unfit from insufficient physical development or weakness of constitution, although no actual organic disease may have been developed.

17. It is to be distinctly understood that the period of training on board the "Britannia" is a time of probation, and the parent or guardian of every Cadet will be required to sign a declaration (on the admission of the Cadet to the "Britannia") to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Navy.

18. Cadets will, on passing out of the "Britannia," rank according to the amount of sea time they obtain at their final examination, and those who obtain equal amounts of sea time will rank in the order of merit in which they pass out of the "Britannia."

Sea time will be awarded according to the following scale:—

—	Mathematics and Navigation.	Extra Subjects.	Seamanship.	Conduct.
1st Class ..	1 month	1 month	1 month	Very Good, 1 month
2nd Class..	½ month	½ month	½ month	Good, ½ month

19. The parent or guardian of every Cadet will be required to provide outfit under the regulations in force.

20. No pay will be allowed by Government to Cadets in the "Britannia." The pocket-money allowed to Cadets will be charged to the parents.

21. As only Cadets who are able to swim are permitted to use the boats belonging to H.M.S. "Britannia," the Lords Commissioners of the Admiralty desire to impress upon parents and guardians the importance of Cadets being taught to swim before they join the Training Ship, so as to enable them to obtain the full benefits of use of the boats.

The age on entry having been raised, it is hoped that boys who are members of the Church of England will, if possible, be confirmed before joining the 'Britannia."

The demands made upon the time of Cadets owing to the shortened period of training, will render it difficult to prepare such a large number for confirmation with the necessary care.

By Command of their Lordships,
EVAN MACGREGOR.

Admiralty,
October 1899.

Admiralty, 1*st April* 1897.

NAVAL CADETS.—REGULATIONS RESPECTING CADETS WHILE UNDER TRAINING.

(For the information of Parents and Guardians.)

1. The Naval Cadets who join the "Britannia" are allowed four terms of about 13 weeks each to complete their course of study;—at the expiration of which they go up for final examination.

2. The terms are from about the following dates:—
14th January to 14th April,
5th May to 5th August,
16th September to 16th December;
and the vacations will be four weeks at Christmas, three weeks at Easter, and six weeks at Midsummer.

3. The friends of the Cadets must be prepared to receive them during all the Vacations

4. The following payment will be required from the Parents or Guardians of each Cadet while in the "Britannia," as a contribution towards the cost of his education:—

Before the commencement of each term, £25, except in the case of those received at the reduced rate of £40 a year, whose payments will be £13 6s. 8d. only. Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for these sums as they become due, and the money should be at once remitted. In the event of non-payment, although the Cadets will not be refused admission into the Ship while their friends are being communicated with, the will not be considered as entered for tuition until the amounts have been received.

5. In addition to the above payments, any expenses incurred by a Cadet for clothing, books, and his expenses for washing, hair cutting, &c., as well as the allowance of 1*s.* a week paid as pocket-money, will be included in the personal account sent in to the Parent from the Ship at the end of each term.

In the third and fourth terms the pocket-money may be increased to two shillings at the option, and with the written sanction, of Parents.

Captains of Cadets are paid 1*s.* and Chief Captains 1*s. 6d.* a week by the Admiralty for the satisfactory performance of their duties.

6. All travelling expenses for Cadets will be advanced by the Paymaster of the "Britannia," who will charge the sum to the Cadet's personal account.

7. Since the Cadets have a weekly allowance paid to them as pocket-money, and as an amount is allowed by the Government to pay the expenses attending their amusements, it is requested that their friends do not give them any money except on joining, or on their return from the Vacations, and that the amount should then be reasonable and under no circumstances exceed £1. It is particularly requested that this Regulation be strictly adhered to. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain of the "Britannia."

8. Should Cadets bring valuable Gold Watches or Chains with them to the Training Ship, they will be taken from them and placed in security until they return to their homes. Silver Watches will be allowed to be used.

9. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the ship, and also when they return from leave, and the outfit, as required, must be complete.

10. Cadets are not permitted to open an account with Tradesmen. Parents and Guardians are therefore requested to pay no bills that may be sent them.

11. Every Cadet on returning to the "Britannia" after the vacations will be required to produce a health certificate—signed by his Parent or Guardian, *not earlier than the day before his return to the Ship*—to the effect that, so far as is known to his Parent or Guardian, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary Form, will be sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return to the "Britannia," will entail his being isolated until the Certificate is received.

12. All letters relative to the Cadets should be addressed as follows:—"The Commanding Officer, H.M.S. 'Britannia,' Dartmouth."

Parents or Guardians of Cadets must, in all cases of permanent change of residence, communicate the same to the Commanding Officer without delay

13. (*a*) Reports of progress in Seamanship, Mathematics, Navigation, and Technical subjects, will be made to the Admiralty at the end of each term, and an intermediate examination will be held at the end of the second term.
(*b*) Cadets who are reported at the end of any term as having made unsatisfactory progress,

through idleness or want of attention, will be "warned," and in the event of a second report to the same effect being received, they will be liable to be discharged.

(*d*) Reports of conduct will be made to the Admiralty at the end of each term or at any time during the period of training on board, if considered desirable. Cadets who are re-reported to the Admiralty at any time for unsatisfactory conduct will be "warned," and should they be again reported, they will be liable to be discharged. Any Cadet, however, who is reported for unsatisfactory conduct during his final term will be liable to be discharged without being allowed to present himself at the examination for passing out of the "Britannia."

The appointments announced for competition will be filled up from the list of qualified Candidates, arranged in the order of merit, as finally determined by the total number of marks each has obtained in both the compulsory and voluntary subjects, but should it at any time be considered expedient to grant commissions beyond those periodically competed for, it will be competent for the Board of Admiralty to admit annually one Candidate proposed by the governing bodies of public schools of medicine in the United Kingdom, or attached to such Colonial Universities as they may think proper, the Candidate so proposed to be approved by the Director-General of the Medical Department of the Navy and to be certified by the governing body proposing him to be duly qualified according to the regulations in force for the entry of Candidates. In cases of Colonial nominations, registration of professional qualifications, as required by Clause 2 of these regulations, may be deferred until after the arrival in England of a Candidate who has been passed on the station ; but a commission as Surgeon will not be granted until the Certificate of the Registrar of the Medical Council shall have been produced at the Medical Department of the Navy.

Candidates from schools at home will be required to pass a physical and test examination in London, which will be arranged for by the Medical Director-General. Colonial Candidates will have to pass a physical and test examination before a Board of Naval Medical Officers on the station.

9. Successful Candidates, immediately after passing the examination, will receive commissions as Surgeons in the Royal Navy, and will undergo a course of practical instruction in Naval Hygiene, &c., at Haslar Hospital.

7. Colonial and Service Candidates will be required to attain in Class I. the same qualifying standard as required for the Candidates who attend the competitive Examination.

8. Candidates will be informed by letter from the Civil Service Commission of the result of their Examination: except in the case of the Colonial Candidates residing abroad, who will be informed by telegram from the Admiralty so as to enable them to join the Training College at Devonport as soon as possible after they have been found medically fit.

9. The number of appointments to be made in each year will be fixed by their Lordships. The successful Candidates will be entered as Engineer Students in H.M. Navy on the 1st of July in each year, and will be borne on the books of the Depôt Ship at Devonport for disciplinary purposes. The period of training will be for five years.

10. The Parent or Guardian of each Student entered under these Regulations will be required to pay the sum of 40*l.* per annum for the period the Student may be under training. It will, however, be at the discretion of the Lords Commissioners of the Admiralty to select from among the Students entered at each yearly Examination, a number not to exceed five, being sons of Officers of the Navy, Army, or Royal Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be 25*l.* only. Their Lordships also reserve the power to further reduce this latter sum in the case of sons of Officers *killed or drowned, or who have otherwise lost their lives on Service.* In making their selection, my Lords will have regard solely to the pecuniary circumstances of the Parents or Guardians of the Students.

11. The payments are to be made half-yearly, in advance, to the Cashier of H.M. Dockyard at Devonport; the first payment is to be made on or before the 1st of July, the date of entry of the Student, and the subsequent payments, on or before the 1st January and 1st July, during the remainder of the Student's training. Should a Student leave from any cause or be dismissed from the Service, not any portion of the payments that have been made in his behalf will be refunded.

12. The Parents or Guardians will also be required to provide the Uniform or other Clothing, Washing, and Personal Necessaries of the Student. Medical Attendance will be provided by the Admiralty.

13. The Students will reside during their course of training in the Training College at Devonport, where they will be boarded free of charge.

Easter	3	,, ,,

16. Every Student on first joining, or on returning to the Training College after the vacations, will be required to produce a health certificate—signed by his Parent or Guardian, not earlier than the day before his return to the Training College—to the effect that, so far as is known to his Parent or Guardian, he has not for at least three weeks immediately preceding his first joining, or during the vacation, been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary form, will be sent to each Parent, and failure on the part of the Student to produce this certificate, duly filled up and signed, on his return to the Training College, will entail his being isolated until the certificate is received.

18. Students pronounced at the end of twelve months absence on account of sickness or injuries to be permanently unfit or unlikely to be capable of entering Her Majesty's Service as Assistant Engineers, or as Assistant Constructors, will be discharged. Should any Student in the course of his training develop physical unfitness for the Service, he will be discharged.

19. The Students will be under the supervision of the Admiral Superintendent of the Dockyard and a Staff of Officers, and subject to such rules and regulations as their Lordships may deem necessary During their residence in the Training College, the Students will be subject to Naval Discipline, under the supervision of the naval officer superintending the College.

20. During their course of training, the Students will receive instructions in Mathematics, Physics, Chemistry, and other theoretical subjects relating to Engineering, under the Head Master of the College, assisted by a staff of Instructors.

They will receive practical training in the Engineering Workshops and Drawing Office of the Dockyard, and will also receive instruction in Iron shipbuilding.

They will attend classes for such periods, and for the study of such subjects, as may from time to time be determined on. Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer respecting the construction and working of the Engines, Boilers, and appliances in connection therewith used on board ship, including the repairs of machinery which can be carried out afloat, also as to the construction and working of Electric Light, Refrigerating, Air Compressing, Torpedo and Gun Machinery, and in becoming generally acquainted with the duties of a Naval Engineer.

While the Engineer Students are being instructed in Iron Shipbuilding they will be under the direction of the Chief Constructor.

21. Those Students who fail to make satisfactory progress, or give no hope of becoming efficient officers, or are guilty of persistent misconduct, will be discharged from the Service.

In the event of serious misconduct on the part of Senior Engineer Students, which may not be of such a nature as to entail dismissal, their appointments as Probationary Assistant Engineer will be withheld for such period as may be considered necessary, after passing for this rank, on the completion of their period of training. During this period they will be employed in the Workshops only, and their conduct will be reported to the Admiralty quarterly.

Prizes will be given annually to the Students most highly reported on for their skilful workmanship, and for distinction at the examinations in Professional and Educational Subjects. Proficiency in the Educational Subjects, and in Practical Engineering and Shipbuilding respectively, will be considered essential at all Examinations.

24. Students who fail to pass either the intermediate Educational or Practical Examinations will be dismissed, unless reasons, satisfactory to their Lordships, are given for their failure.

25. Students in Naval Construction not exceeding two in number annually may be appointed from among Engineer Students who have shown special ability at the end of their second year of training. The Students in Naval Construction, on appointment, must join with their Parents or Guardians in a Bond for £500 to enter, if required, into Her Majesty's Service as Assistant Constructors, if at the expiration of their training they should obtain Certificates of good conduct and efficiency. The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died whilst serving as Chief Engineer of H.M. Dockyard at Ports, mouth—consists of a sum of about 400*l.* The interest of this sum is employed annually in providing a prize, consisting of books, scientific instruments, &c., which is conferred on the Engineer Student who, on the completion of his training, obtains in the examination for entry in the Royal Navy the highest total number of marks for Practical Engineering, Practical workmanship and knowledge of engine room duties; ability, skill and conduct at work during the period of training.

SHADWELL TESTIMONIAL PRIZE.

The Shadwell Testimonial Prize, founded in 1888, in memory of the late Admiral Sir Charles F. A. Shadwell, K.C.B., who died 1st March, 1886, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

NAVAL RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

I.—*General Rules.*

(For rules specially affecting Officers on the Supplementary List of Lieutenants and Sub-Lieutenants under Order in Council 20th June, 1895, see Sections V., XIV., and XV.).

1. After retirement, no increase of pay to be allowed to any Officer, except as provided in Sect. XVIII. Arts. 3, 4, and 5. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay, or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (*a*) An Officer who is, in the opinion of the Admiralty, unfit for, or unworthy of, further employment, may be placed on the Retired or Pension List irrespective of age or service.

(*b*) An Officer who has been sentenced by Court-Martial, and who is, in the opinion of the Admiralty, within the scope of the preceding paragraph, may be placed on the Retired or Pension List, and may be awarded such retired pay, or pension, or gratuity as he would receive under ordinary Regulations.

(*c*) An Officer placed on the Retired List under Clause (*a*) without trial by Court-Martial, may be granted such rate of retired pay or such Gratuity as the Admiralty may think fit. Provided that the amount of retired pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement and that the amount of the gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such half-pay, and shall be less than the amount of gratuity to which he would have been entitled under ordinary circumstances.

(*d*) An Officer who has had long and good service, but who is not entitled, under ordinary regulations, to retired pay or gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such gratuity, not exceeding 500*l.* as the Admiralty may think fit.

(*e*) An Officer dismissed the Service by sentence of Court-Martial may be awarded a compassionate allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such compassionate allowance shall be entirely at the discretion of the Admiralty.

(*f*) Sub-Lieutenants and Assistant Paymasters, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (*a*), may be awarded gratuities not exceeding 25*l.* for each year's service in these ranks, or 250*l.* in all.

(*g*) Chief Gunners, Chief Boatswains, Chief Carpenters, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (*a*), may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(*h*) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from Her Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations, shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers, and Subordinate Officers of all ranks.

Present:
The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 17th day of June 1887, in the words following, viz.:—

"Whereas we have had under consideration the increasing slowness of promotion from the rank of Lieutenant to that of Commander, which is, in our opinion, detrimental to your Majesty's Service.

"We would recommend that we be empowered to make annually thirty advancements of Lieutenants to the rank of Commander, notwithstanding that the vacancies on the Commanders' List may be less than that number, until the list of Commanders is raised from 225, its present temporary limit under the provisions of Your Majesty's Order in Council of 5th August 1875, to 270, and that this number be afterwards maintained; such thirty annual promotions to be made at such dates within the year as we may consider advisable.

"These arrangements to be applicable to the present year.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. C. L. PEEL.

Present:
The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1879, in the words following, viz.:—

"Whereas we have had under our consideration the effect of Your Majesty's Orders in Council of 22nd February 1870, and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary:—

"1. To increase the number of Lieutenants for executive duties;

"2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and

"3. To make better provision for the promotion of Sub-Lieutenants.

"We do most humbly submit that Your Majesty will be pleased to sanction:—

"1. That the number of Lieutenants for Executive duties shall be 800.

"2. That we be authorised to increase that number of Lieutenants gradually to 1000 in proportion as the numbers on the List of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz., 250, so that eventually the List of Lieutenants shall be 800 for Executive duties nd 200 for Navigating duties.

"3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year.

"4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. C. L. PEEL.

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th day of November 1893, in the words following, viz.:—

"Whereas Admiral of the Fleet His Royal Highness the Duke of Edinburgh, K.G., &c., has become reigning Duke of Saxe-Coburg-Gotha and has thereby become disqualified to hold his actual position in Your Majesty's Navy.

"We would now humbly submit to Your Majesty:—

"That in view of His Royal Highness' long and distinguished service, his name may be retained on the Navy List, notwithstanding such disqualification, in an honorary capacity.

"That hereafter His Royal Highness shall not be entitled to any full-pay, half-pay or retired-pay, nor to receive any office or command in Your Majesty's Navy, but he shall be entitled to receive the same honours, marks of respect and salutes as any officers of equal rank on the Half-pay or Retired lists of Your Majesty's Navy.

"That His Royal Highness shall, so far as the position of his name on the list is concerned, continue to be subject to the rules and regulations contained in Your Majesty's Order in Council of 26th June 1893, and previous Orders in Council."

"WHEREAS we have had under our consideration the provisions of Your Majesty's Order in Council of 22nd February 1870, relating to the executive Officers of Your Majesty's Navy, and whereas it has been ascertained that certain modifications of its provisions have been rendered necessary by subsequent Orders in Council affecting the proportion of Officers in the various Lists, and by the additional requirements of the Fleet; We beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to give effect to the following changes which appear to us to be necessary; That the future numbers of the under-mentioned ranks upon the Active Lists shall be as follows, viz.:—

"Flag Officers, 68	Admirals of the Fleet	..	3

"Commanders (including 70 for Navigating duties)	.. ..		334
"Lieutenants (including Lieutenants for Navigating duties)	.. ..		1,150

"That vacancies on the Flag List, from whatever cause, be filled as they occur, instead of being limited to seven per annum under the provisions of Order in Council of 5th August 1875; That the Captains' List be increased by three per annum for three years and by four for six subsequent years; That the Commanders' List be increased by five per annum until the maximum is reached; That the Sub-Lieutenants' List be governed by the numbers required to fill vacancies on the Lieutenants' List and that the maximum period of service on the List should not exceed four years; That should any Sub-Lieutenants, not passed over for misconduct, reach four years' standing without sufficient vacancies on the Lieutenants' List having occurred to allow of their advancement, they be promoted as additional to the List of Lieutenants and absorbed as vacancies arise; That with our consent, and under such Regulations as we may think fit to make, Commanders and Lieutenants be allowed to retire voluntarily to the following extent, so soon as the lists, in our opinion, admit of such retirements:—

"Commanders—not exceeding five annually—

"If under 40 years of age, on the active Half Pay earned by service. If above 40 years of age, on the Retired Pay laid down by Your Majesty's Order in Council of 22nd February 1870.

"1. That the optional retirement of Admirals and Vice-Admirals at the age of 55, of Rear-Admirals at the age of 50, and of Captains at 45, allowed as a temporary measure by Your Majesty's Order in Council of 5th August 1875, be discontinued.

"2. That provisions in Your Majesty's Order in Council of 29th November 1879, authorizing us to continue the retirement, without limit, of Lieutenants on the terms sanctioned in paragraph 24, Chapter X. of Your Majesty's Order in Council of 22nd February 1870, should also cease.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals."

"Whereas by certain of Your Majesty's Orders in Council we are empowered to reduce the half-pay, retired pay, and pension of Officers of Your Majesty's Navy who have been guilty of misconduct or neglect of duty, or who have unfitted themselves for active service by irregular and imprudent conduct; and in some cases to place such Officers on the Retired List:

"And whereas we are of opinion that it is desirable that the powers conferred upon us in regard to such Officers should be consolidated and extended:

"We humbly beg leave to submit that Your Majesty may be graciously pleased by Order in Council to repeal Your Majesty's Orders in Council of 26th October 1860; 7th January 1864; 30th December 1884; 3rd March 1894, and such provisions of Your Majesty's Order in Council of 22nd February 1870 as relate to the rates of retired pay and pension to be awarded to such Officers, and to substitute there for the provisions contained in the accompanying Schedule.

"We would further submit that, as regards Naval Officers dismissed from Your Majesty's Service by Court Martial, Your Majesty may be graciously pleased to sanction the modification of the provisions contained in Your Majesty's Order in Council of 23rd October 1876, in the manner set forth in paragraph 5 of the accompanying Schedule.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.

An Officer placed on the Retired List under clause 1 without trial by Court Martial, may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

"4. An Officer who has had long and good service, but who is not entitled under ordinary Regulations to retired pay or gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

"5. An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

"6. Sub-Lieutenants and Assistant Paymasters, whether dismissed the Service by Court-Martial, or placed on the Retired List under Clause 1 may be awarded Gratuities not exceeding £25 for each year's service in these ranks; nor £250 in all.

"7. Chief Gunners, Chief Boatswains, Chief Carpenters, Warrant Officers, and Officers of Coast Guard, other than Commissioned Officers, placed on the Pension List under Clause 1, may be awarded such reduced rates of pension as the Admiralty may in each case determine.

"9. The expression 'an Officer' in this Schedule, shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers, and Subordinate Officers of all ranks."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The following shall be the scale of pensions:—

	For each year's Service, above the Rank of Petty Officer.	Addition for each year's Service as Seamen or Petty Officer, but the additional time allowed for Service as Seaman-Gunner not to count.	Maximum for Service only.	Minimum for Service only.
Chief Gunner . .	£ s.	£ s.	£	£
„ Boatswain .	5 0	1 10	150	No fixed Minimum.
„ Carpenter .				
Warrant Officers:—				
Under 10 years .	3 10	1 10	120	Under 5 years service as warrant-officer, 40l.

With 10 years .	4 0	1 10	120	With 10 years' do. and under 15, 75l.
				With 15 years' service as warrant-officer, 95l.

Chief and other Gunners, Boatswains, and Carpenters, holding appointments in Her Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10l. a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1976 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for a pension on account of age, long service, or disability is made by a Chief or other Gunner, Boatswain, or Carpenter who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August 1870, and no hurt certificate is produced the applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been guilty of misconduct.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Chief and other Gunners, Boatswains, and Carpenters may, in such cases as it may be for their advantage, be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

Chief Gunners, Chief Boatswains, Chief Carpenters and Warrant Officers who have been dismissed from Her Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 2141.

No. 67.—C.

At the Court at Windsor,

The 26th day o Jun 1886.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd day of June 1886, in the words following, viz.:—

NAVAL RETIREMENT PREVIOUS TO 1870.

(So far as still in operation.)

FLAG OFFICERS.

1851.

Her Majesty, by Her Order in Council of 25th June 1851, having been graciously pleased to sanction certain arrangements, proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals and 51 Rear-Admirals: this reduction will be effected as follows, viz.:—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag under the Order in Council of 30th June 1827. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.
2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.
3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.
4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.
5. Flag Officers, at present on the Active List, who may be retired under these Regulations will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.
6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals (But not to be more than three Admirals of the Fleet at one time.)	21
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above whether they have served or not.

CAPTAINS.

1847.

The plan of retirement published in the London Gazette of 1st Sept. 1845, and carried out by Her Majesty's Order in Council of 24th April 1847, provides:—

1st. That the rank of retired Rear-Admirals shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usua restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-Pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List, will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.:—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flags, who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired. 13*s.* per diem
If on 12*s.* 6*d.* . . . . . 20*s.*
on 14*s.* 6*d.* 21*s*

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when retired . . . . . 18s. per diem
If on the 12s. 6d. " " " } 20s.
If on the 14s. 6d. " " " }

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire irrespective of age, at the several rates of 18s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service at the rate of 16s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of 50, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300 no further retirement of Officers to take place under this clause.

B. 6. Captains who may arrive at their turn for promotion to the Flag List without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a day; subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860, to be allowed more than the pay of 20s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

T 3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two of every three vacancies caused by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75l. per annum if otherwise entitled thereto.

1851.

L. The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3. By placing on reserved half-pay all Commanders who have not served afloat or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This list was abolished in May*, 1863.)

1856.

1. That the List of Captains on the Reserved List established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 10th August 1840, and increased by Order in Council of 25th June 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

1860.

C All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half-pay, according to their length of Sea Service, on the scale herein-after mentioned.

Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as herein-after mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of 59, without further addition to their Retired Pay.

PENSIONS to WIDOWS of OFFICERS and COMPASSIONATE ALLOWANCES to CHILDREN only to be granted in future when the marriages take place during the time the Officers are borne on the Active List. Time spent by Officers on the Retired List not to reckon towards increase of pension rights.

No. 77.—C.
At the Court at Windsor,
The 10th day of November 1886.
Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 5th day of November 1886, in the words following, viz.:—

"Whereas we have had under our consideration the question of continuing to grant Pensions to the Widows of Officers of Your Majesty's Navy, and Compassionate Allowances to their children, in cases in which the marriages take place after the retirement of the Officers from the Active List.

"And whereas we are of opinion that the Regulations in regard to the privileges in question should be modified.

"We do therefore beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to direct, as regards future marriages of Naval Officers, that the Widows and Children of the officers in question shall not be eligible for the grant of Pensions and Compassionate Allowances unless the marriages take place during the time Officers are borne on the Active List. This Regulation to apply only to Officers now on the Active List, or who may be placed thereon subsequently to the date thereof, and in no way to affect the claims in respect of Officers already retired."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 5th day of November 1886, in the words following, viz.:—

"Whereas we have had under our consideration the regulations governing the award of Pensions to Widows of Officers of Your Majesty's Navy and Compassionate Allowances to their children.

"And whereas We are humbly of opinion that time spent by such Officers on the Retired List should not be operative either for creating or for increasing pension rights.

"We do therefore beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to direct that Art. 2067 of the Regulations for the government of Your Majesty's Navy shall be modified so that, as regards future marriages, Service on the Active List only shall reckon as qualifying time for the privileges in question. The alterations in question to apply only in respect of Officers now on the Active List or placed thereon subsequently to the date hereof; and in no way to affect the claims in respect of Officers already retired.

"We would, however, recommend that Your Majesty will be pleased to provide that the special rate of pension applicable to the rank of Paymaster-in-Chief may still be awarded to Widows of those Officers, the rank of Paymaster-in-Chief being only obtainable at the time of their retirement."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Chief Gunners, Boatswains and Carpenters, and Warrant Officers pensioned before 1st October 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign state, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service on the Active List will not apply to Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

Naval Officers retired before 10th November 1886, and Marine Officers retired before 29th June 1882, are allowed to reckon their time after commutation as part of the 10 years necessary to qualify their widows for pensions, provided they married before commutation.

The Widows of Chief Gunners, Chief Boatswains and Chief Carpenters, are only entitled to the rate applicable to Chief Warrant Officers if their husbands had one year's service; in cases of less than one year's service the rate applicable to Warrant Officers will be awarded.

Pensions are awarded to Widows of Gunners, Boatswains, and Carpenters of one year's service (acting time included), and confirmed in that rank.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 12 months of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within six months of his having been first certified to be ill, or who shall have completed not less than five years' continuous service as Warrant Officer at the time of his death, shall, provided the marriage took place before the Officer attained the age of 45 years, be granted a pension, if the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the pensions of other Officers' Widows, so far as they apply.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November 1886, that the marriage took place before the Officer left the Active List.

11. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their covertu e, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form given or a Decreet of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of (i.) Captains retired before the 10th November 1886 advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Chief Gunners, Chief Boatswains, and Chief Carpenters of one year's seniority, retired after 1st April 1896, with the honorary or relative rank of Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The special rate of pension applicable to the rank of Paymaster-in-Chief will be awarded to those Officers' Widows, the rank being only obtainable on retirement.

Officers who voluntarily retire from the Service with Gratuities will be held to have forfeited all claim to Pension for their Widows, or compassionate allowances for their children.

16. *Widows of Marine Officers.*

(a) Officers retired before 29 June 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the ACTIVE LIST shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(b) Officers retired after 29 June 1882.

The Widows of Marine Officers retired after 29th June 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of Her Majesty's Army.

The Widow of a Warrant Officer who has been killed in action, or who has died of wounds received in action within 12 months of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy within six months of his having been first certified to be ill, or who shall have completed not less than five years' continuous service as Warrant Officer at the time of his death shall, provided the Marriage took place before the Warrant Officer attained the age of 45 years, be granted a pension of £20 a year, if the Widow be certified as being left in necessitous circumstances, and subject to the conditions laid down for the pensions of Officers' Widows, so far as they apply.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat: and persons dying of their wounds within six months shall be considered as persons slain, viz.:—

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

Digitized by Google

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed or drowned on duty.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowances would cease.

22. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible. Officers who retire voluntarily from the Service with Gratuities will be held to have forfeited all claim to Compassionate Allowances for their Children.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

28. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within six months after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

GREENWICH HOSPITAL.

GREENWICH HOSPITAL PENSIONS.

These Pensions are the "Age" and "Special Pensions."

They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good.

Age Pensions are given to Naval Pensioners only (*i.e.*, to Seamen, Marines, Coast Guard Naval Pensioners, Yard Craftsmen, and Riggers of Dockyard).

Age Pensions are given only to Life Pensioners.

A Naval Pensioner is eligible for the Age Pension of 5*d.* a day on attaining the age of 55, if he has been in receipt of his pension for 5 years; and for the increase of such age pension to 9*d.* a day at the age of 65, if he has been in receipt of his Naval Pension for 10 years.

The number of Pensions in force at any one time is limited, and will be determined from time to time according to the funds available for the purpose; the vacancies to be filled by those whose health renders them incapable of making any exertion towards earning a living.

These regulations are not to affect any Pensioner in receipt of an Age Pension in July, 1878, or any Pensioner who, being already in receipt of 5*d.* a day, will be eligible for the additional 4*d.* a day on attaining the age of 65.

The Deferred Pension of Marines gives no claim to the Age Pension.

PRIZE MONEY.

BY THE QUEEN
A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Sixteenth Day of May one thousand eight hundred and seventy-one, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient tha. Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is, and we do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows, viz.:—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided amd directed, that is to say:—

When there is but one flag officer he shall have the entire one-thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first-class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted:—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer

whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

Every commodore of the second class shall share as captain.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag officer to share, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part according to the proportion herein-after set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts; each commander commanding, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; colonel of marines (artillery or light infantry) or of land forces serving as marines, doing duty with a battalion or force employed on shore for naval operations to share as captains; lieutenant-colonel of marines (artillery or light infantry) or of land forces serving as marines, employed on shore for naval operations, if in actual command of a battalion or force to share as captains, if second in command to share as commanders; major of marines (artillery or light infantry), or of land forces serving as marines employed on shore for naval operations, if in actual command of a battalion or force to share as commanders. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in eleven classes, so that each officer, man, and boy composing the rest of the complements of Our ships, and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid, and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

WHEREAS by an Act passed in the fifty-ninth year of the Reign of His late Majesty King George the third Chapter 25 intituled "An Act to enable His Majesty to fix a rate and direct the disposal of Freight money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels" it is enacted that from and after the eighth day of April one thousand eight hundred and nineteen all freight money to be paid for the Conveyance on board any of the Ships and Vessels of His Majesty his heirs and successors of Gold Silver and Jewels or of any other article which may be by special order received on board the said Ships and Vessels and for which freight shall be payable shall be paid at such rate and distributed and applied for such purposes and divided to and amongst such persons in such proportions and after such manner as His Majesty His Heirs and Successors shall from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that purpose; and that no freight money or reward shall thereafter be demanded, paid, received, or detained by, to, or for the use or on account of any person or persons for the Conveyance on board of any of the Ships and Vessels of His Majesty, His Heirs or Successors, of any Gold, Silver, or Jewels, or any other article which may be by Special order received on board the said Ship or Vessel, and for which freight shall be payable, other than for the purposes, and by the person or persons in the proportion, at the rates, and in the manner so to be paid and allowed by Proclamation or Proclamations; and that all bargains, contracts, covenants, and agreements made or entered into for the payment of any freight money, for or in the name or on the account of freight for the conveyance of gold, silver or jewels, or other articles as aforesaid, on board of any of His Majesty's Ships or Vessels, at any rate, or for any other purpose, or by or to any other person or persons or in any other manner or proportions than as aforesaid shall be and the same are by the said Act declared to be utterly void.

And whereas by a Royal Proclamation made and issued by His Royal Highness the then Prince Regent in the name and on the behalf of His late Majesty King George the third dated the twelfth day of July one thousand eight hundred and nineteen rates were fixed at which freight should be paid for public and for private treasure respectively and in peace or war and for different voyages as in the said Royal Proclamation were specified.

And whereas by a Royal Proclamation by His late Majesty King William the fourth dated the twenty-third day of April one thousand eight hundred and thirty one the rates of freight fixed by the aforesaid Royal Proclamation dated twelfth July one thousand eight hundred and nineteen were altered.

And whereas by a Royal Proclamation by His late Majesty King William the fourth dated eighth June one thousand eight hundred and thirty one a rate of freight was fixed for the conveyance of gold and silver on board His Majesty's Packets.

And whereas by Our Order in Council dated eighth March one thousand eight hundred and thirty eight We were graciously pleased to authorise our Commissioners for executing the Office of Lord High Admiral of Our United Kingdom in any special cases which might occur to fix a less sum for the conveyance of Specie and Jewels than is directed by the Royal Proclamations dated respectively twelfth July one thousand eight hundred and nineteen, twenty third April one thousand eight hundred and thirty one, and eighth June one thousand eight hundred and thirty one.

And whereas We have thought fit by and with the advice of Our Privy Council to revoke and annul the aforesaid Royal Proclamations and Order in Council subject as hereinafter stated. Now therefore We do hereby revoke and annul the said Royal Proclamations and Order in Council as from and after the thirtieth day of September one thousand eight hundred and eighty eight save and except as to any treasure whether gold, silver, jewels, or other articles which may have been actually shipped before the first day of October one thousand eight hundred and eighty eight, and save and except further than the said Proclamations and Order in Council shall continue to apply as to treasure actually shipped before the said last-named date. And We do by this Our Royal Proclamation by and with the advice of Our Privy Council order and direct that on and after the first day of October one thousand eight hundred and eighty eight the rate at which freight shall be paid for the conveyance on board any of Our Ships or Vessels of treasure belonging to parties other than the Crown whether gold, silver, jewels, or other articles which may by special order be received on board any of Our Ships or Vessels shall be one per cent.

And We do hereby further order and direct that the whole amount of the said freight, when received, shall be divided into four parts, and subject to the proviso hereinafter mentioned, distributed as follows, that is to say: one fourth to the Flag Officer if any or Flag Officers if more than one on the Station or in the Squadron to which the Ship receiving treasure on board may belong; two fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his receipt or sign the bill of lading for the treasure; and one fourth to Greenwich Hospital, for the use of that institution.

That when there shall be more than one Flag Officer on a Station, the said one fourth part shall be divided and distributed amongst the several Flag Officers on the Station, in the following proportions, viz.:—

If there be but two Flag Officers, the Chief shall have two third parts of the said one fourth, and the other shall have the remaining third part; but if the number of Flag Officers be more than two, the Chief shall have only one half, and the other half shall be equally divided amongst the junior Flag Officers; but if there be no Flag Officer on the Station, or the Ship or Vessel be not under the orders of a Flag Officer then that the Captain or Officer Commanding the Ship or Vessel shall have three fourths, and Greenwich Hospital one fourth.

Provided that such Flag Officer or Flag Officers shall not be entitled to claim his or their respective share or shares in such freight money, otherwise than on condition that he or they shall, before the gold, silver jewels, treasure, or other articles as aforesaid shall be put on board such Ship or Vessel, have entered or caused to be entered in a public order book on board the Ship of the Commander-in-Chief or the Senior Flag Officer commanding on the Station or in the Squadron to which such vessel belongs or delivered to the Captain or Officer commanding such ship or vessel, or in case of a Junior Flag Officer absent from the Commander-in-Chief, unless such junior Flag Officer shall have delivered to the Commander-in-Chief to be entered in the said order book, an engagement in writing, in form or to the effect following:—

> I, *A.B.*, am desirous of partaking in the advantages, with the risks attendant thereon, arising out of the conveyance of treasure under a contract of affreightment in any of the ships or vessels in the squadron [or in the particular ship, as the case may be]. And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such ships or vessels respectively [or, ship or vessel, as the case may be], such part of any loss or damage for which he or they may be liable in respect to the gold, silver, treasure, or other articles so carried on freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the share or interest in the said freight money to which I may be entitled.

And that such share or shares of the Flag Officer or Flag Officers as aforesaid, to which he or they shall not be entitled under the conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the ship or vessel in which the gold, silver, treasure, or other articles shall be carried on freight as aforesaid.

That in the event of loss or damage which may happen to the gold, silver, jewels, or other articles so received for conveyance and which may have been made good or satisfied by the Captain or Officer commanding the ship exceeding the total freight money, Greenwich Hospital shall not be entitled to receive any sum on account of such freight; and in cases in which the said loss so made good or satisfied may not amount to the whole of the freight money, Greenwich Hospital shall be entitled only to its proportion of the balance of freight money over and above such loss or damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the rules of the service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to freight, be also considered as Flag Officers when in command of a Station.

That when the Captain or Commander, or his agent, shall have received the freight, he shall pay over to the Senior Flag Officer if any and to the Director of Greenwich Hospital, without delay, their respective shares, and the Captain shall be held responsible to both for any loss which may occur through his neglect or delay in receiving or paying the same; but if there be any question or difficulty as to the payment, he is to apprize the Senior Flag Officer if any and the Director of Greenwich Hospital respectively of the causes of such delay.

That the Captain or Officer commanding, on receiving any treasure on board any of Our Ships or Vessels, shall transmit to the senior Flag Officer when such Captain or Officer commanding shall be under a Flag Officer, and in every case to the Director of Greenwich Hospital, and to the Secretary of the Admiralty, a return of the amount of such treasure, and of the freight paid or to be paid thereon.

That when the treasure shall, during the voyage, be transhipped into one or more ships, the freight shall be divided, pro ratâ itineris, among the Flag Officers, and Captains who may be entitled to share therein, according to the services performed by the different ships respectively; and if any difficulty or dispute shall arise respecting such division or distribution, any party interested therein may refer the same to the Commissioners for executing the Office of Lord High Admiral of Our United Kingdom and the decision or Orders of the said Commissioners or any two of them, as to such division or distribution, shall be final and conclusive thereon.

That in order to prevent any doubt or misunderstanding as to the rate or distribution of freight on gold, silver, jewels, or other articles as aforesaid received on board flag ships, or any other of Our ships and vessels, and to prevent any private agreements inconsistent with these regulations, all Flag or other Officers are expressly forbidden to receive on board any of Our ships or vessels any gold, silver, jewels, or other articles as aforesaid, upon any agreement or condition as to freight or the payment or distribution thereof different from these regulations, or to take, demand or receive any sums other than those established by these regulations. Any question, as to freight, loss, damage, or any share thereof, which may arise between any Officers, or between any Officer or Officers, and the Directors of Greenwich Hospital, and upon which they do not agree, shall be submitted to, and decided by, the said Commissioners, or any two of them, and their determination shall be final and conclusive upon all persons interested

That these rules and regulations shall be in force on and after the first day of October aforesaid and shall be thenceforth taken and understood to be the established rule and custom of Our Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at Our Court at Osborne House, Isle of Wight, this tenth day of August, in the year of Our Lord One thousand eight hundred and eighty eight and in the fifty second year of Our reign.

GOD SAVE THE QUEEN.

NOTE.—Under former Proclamations the liability of the Commanding Officer in the event of any loss of the treasure was restricted to three fourths of the amount thereof corresponding to the amount of freight received by him and the Flag. If it be desired to preserve this limitation, which however will be matter of bargain with the Shippers of the treasure, the following words should be added to the usual form of Bill of Lading :—

And it is hereby stipulated and agreed between the said and the Shipper and Owners and Consignees of the said that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

UNIFORM FOR OFFICERS OF ROYAL INDIAN MARINE.

Officers of the Royal Indian Marine are to wear the same uniform as officers of corresponding rank in the Royal Navy, with the following exceptions:—

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1896, the grant of a Gratuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines.

VI.—*Correspondence.*

(39.) All letters from Royal Naval Reserve Officers (when not serving in H.M. Ships), in connection with the Reserve, are to be addressed to the Registrar-General of Seamen, who will forward to the Admiral Superintendent of Naval Reserves, with remarks, such as require his decision or that of the Admiralty.

Officers serving in H.M. Ships and those undergoing drill in Drill Ships are to address their letters through the Commanding Officers of such Ships.

Officers are always to state their rank after their signature.

VII.—*Drill.*

(40.) Officers on the Active List of the Royal Naval Reserve (except Engineers) will be required to undergo in each year a course of 28 days' drill and gunnery instruction on board one of the District Drill Ships.

The annual drill required is for each calendar year, i.e., the period between the 1st January and 31st December.

Officers of the Reserve will not be allowed to drill while suspended from the Reserve under clause 4 of Art 97

(41.) Officers of the Royal Naval Reserve should, if possible, take their drill in 28 consecutive days. If, however, they cannot do so, it may be taken in periods of not less than seven days each, but 28 days' drill should be completed in each year.

(42.) Officers who are in arrears of drill owing to the exigencies of their employment will be permitted to make good one year's arrears. They may also take drill for the current year, and if necessary they may take one year's drill in advance, but no Officer may perform more than 56 days' drill in one year.

(43.) If owing to the nature of their employment, Officers are unable to perform their drill at home, they may be permitted to do so in any of Her Majesty's ships abroad commanded by a Captain or Commander, permission being first obtained from the Commander-in-Chief of the station or, in his absence, from the Senior Naval Officer at the port, who is to satisfy himself that the reasons given by the Officer, as to his difficulty in performing drill at home, are sufficient.

(44.) On a special report being made to the Admiral Superintendent of Naval Reserves by the Officer superintending the drill, to the effect that an Officer is competent to instruct and drill men of the Reserve, then such Officer will only be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the superintending Officer the further 21 days will be dispensed with; but if the seven days' test drill is not satisfactory, the further 21 days' drill must be performed.

(45.) Officers who pass the test may be considered to have put in drill for three years, viz.:—

1 year in arrear,
1 year in current,
1 year in advance.

It will, however, remain optional to the to perform within the limit of 56 days in a year such amount of drill, whether in arrears or in advance, as they desire.

(46.) Service on board one of Her Majesty's Ships in Commission shall be reckoned for all purposes as equivalent to the annual test drill required from Officers of the Royal Naval Reserve, provided a satisfactory Certificate for Service is obtained; but it will only be reckoned as the ordinary annual drill for those Officers who have not previously passed the test.

(47.) Officers of the Reserve will, when they wish to attend at drill, proceed to the District or Drill Ship at one of the ports named below, and produce their commissions or appointments to the Commanding Officer They are not required to apply previously at any Mercantile Marine Office.

2. The Commanding Officer will enquire what has been the nature of their recent employment, and no Officer of the Reserve will be permitted to perform drill who has been serving in the Mercantile Marine in a capacity below that of Master or Mate, without the special sanction of the Admiral Superintendent. Midshipmen of the Reserve will not be allowed to drill if they have been employed at sea other than as Mate, Apprentice or Midshipmen, without special sanction.

(48.) Officers can attend drill on board any of the District Ships and Drill Ships at the following ports:—Aberdeen; Bantry, Ireland; Bristol; Dundee; Greenock; Harwich; Holyhead; Hull; Inverness (winter months only); Kingstown, Ireland; Leith; Liverpool; London, W.I. Docks; Portland; Shields and Southampton: *see* Map annexed to these Regulations.

(49.) In special cases only, Officers may be allowed to perform their drill at one of the Royal Naval Reserve Batteries (*see* Map attached to these Regulations), permission being first obtained in writing from the Admiral Superintendent of Naval Reserves, by application through the Registrar-General of Seamen, but this permission cannot be conveniently accorded to Officers of Senior rank and standing in the Reserve, nor to those Officers who require a Test Certificate for the purposes of the training fee (*see* Art. 69). It is expected that such Officers will put in their drill in the District Ships or Drill Ships, where there is a staff of Officers of suitable rank and position to supervise and report on the result of the drills.

(50.) The drill will comprise heavy gun, rifle, pistol and cutlass exercise.

(51.) The Rules laid down with regard to the drill required of Officers of the Royal Naval Reserve may be relaxed in such cases as may seem requisite to the Lords Commissioners of the Admiralty on special application being made through the Registrar-General of Seamen.

2. The hours of drill and instruction for Officers are, as a rule, to be the same as those laid down for men of the Royal Naval Reserve. In the case of Officers, however, who represent to the Commanding Officer of a Drill Ship that they do not find it possible to attend during the whole of the day, owing to their being required to fulfil engagements to their employers that they cannot give up, or for other business reasons of an imperative nature, 3½ hours actually spent at drill or under instruction on any one day may be allowed to count as a day's drill.

3. It is left to Officers in Command of Drill Ships to make arrangements to carry out the above when necessary; and the names of those Officers who avail themselves of it are to be recorded, and it is to be distinctly understood that the privilege is only to be exceptionally accorded to Officers under the above circumstances.

(52.) Officers whilst attending annual drill on board a District Drill Ship will live on shore, and receive the following allowance in lieu of lodging and subsistence, viz.:—

	s.	*d.*	
Lieutenants	10	0	a day.
Sub-Lieutenants	7	0	„
Midshipmen	5	0	„

2. Officers who are injured at drill are entitled to be paid these allowances until cured or discharged to pension.

3. In the cases of Officers performing their drills on board H.M. Ships abroad these allowances are provided for by Article 917, Chapter XXV., of the "Queen's Regulations and Admiralty Instructions, 1893."

4. These sums will be paid to them on the completion of each week's drill by the Paymaster of the Drill Ship.

Note.—But they are not to be paid for any days on which they have been absent from drill on account of sickness.

VIII.—*Service in the Royal Navy when called out by Royal Proclamation.*

(53.) Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation, and they will be liable to serve during the continuance of any national emergency or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

(54.) Upon the issue of a Royal Proclamation, signifying Her Majesty's pleasure to require the Officers of the Royal Naval Reserve to serve in the Navy, the Admiralty will take immediate steps to make the same known, and it is the duty of every Officer to at once communicate his then address, and his probable movements for the next three months, to the Registrar General of Seamen, Custom House, London, E.C.

2. The Admiralty will, after reference to the Officers' Register kept by the Registrar General of Seamen, give notice to each Officer whom they may think fit to call upon to join at a place and time to be fixed by such notice.

3. Reasonable expenses incurred in proceeding to destination will be allowed.

(55.) Officers of the Royal Naval Reserve, when called upon for active service or employed in the Fleet, will be attached to such ship or other service as the Lords Commissioners of the Admiralty may direct.

(56.) Officers serving abroad when the Royal Naval Reserves are called out, will receive notice thereof from the British Consul at the first Port they may call at, where a Consul resides.

2. They are then to report themselves on board the first British Ship of War they may meet; or, failing that, to the nearest Registrar of Shipping on arrival in England.

(57.) Under circumstances of emergency Commanders-in-Chief of Stations abroad are empowered to grant acting Commissions to Officers of the Mercantile Marine, and to exercise the same powers of appointment, &c., as are vested in the Lords Commissioners of the Admiralty.

(58.) Officers who, when in actual service in the Fleet, shall have greatly distinguished themselves in action with the enemy or who may, by the character or length of that service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy of the same grade as that with which they may rank at the time. They will then be considered in all respects as Officers on the permanent strength of the Navy.

(59.) Officers who, whilst on actual service, shall have been employed in action with the enemy, may be granted Medals and Decorations the same as awarded to Officers of their corresponding rank in the Royal Navy.

IX.—*Voluntary Service and Training in the Royal Navy.*

(60.) All applications for voluntary service must be made through the Registrar General of Seamen.

(61.) The Lords Commissioners of the Admiralty will consider applications from Officers who, in addition to their Annual Drill, volunteer for temporary Service in the Royal Navy, either for some special duty, such as a cruize in an Exercising Squadron, or for a course of instruction in Gunnery or Torpedo on board one of the Gunnery or Torpedo School Ships, but Lieutenants and Sub-Lieutenants cannot be allowed to go through Gunnery or Torpedo courses who are over 40 and 34 years of age respectively; and Midshipmen cannot be appointed for these courses except as Acting Sub-Lieutenants if duly qualified under Article 62.

2. The short courses of Gunnery and Torpedo will each be of two months' duration; but they will be divided into two periods of one month each so that Officers can be appointed every month, except during the Summer Manœuvres and in December.

(62.) Applications will also be considered from Lieutenants and Sub-Lieutenants under 40 and 34 years of age respectively, and Midshipmen possessing a First Mate's Certificate of Competency who wish to volunteer to go through a Naval training in Navigating or other duties in the Fleet for a period of 12 months, but no Officer will be appointed for 12 months' Naval Training after the 1st January, 1899, unless he has been through short courses of Gunnery and Torpedo, and been recommended by the Captains of the Gunnery and Torpedo Schools for Naval Training.

2. Time served in the Gunnery or Torpedo Establishments by Officers appointed to undergo a course of instruction will not count as part of the 12 months' naval training.

(63.) Officers must obtain the Test Certificate in Gunnery before they can be permitted to volunteer for service under the two preceding clauses; but exception may be made in the cases of those who volunteer only for the short cruize.

(63*a*) Senior Engineers and Engineers may apply for a course of instruction at one of the Home Dockyard Reserves. Officers who are selected will receive instruction in the working of the machinery and boilers of Torpedo Boats and Torpedo Boat Destroyers; attend trials of the machinery of H.M. Ships at the port to which they are attached, and watch the progress of work on machinery under construction or repair at the Dockyard.

2. The course will last about three months, and while undergoing instruction in the Dockyard, Officers will be treated as to discipline, in the same manner as R.N.R. Officers undergoing drill in a Drill Ship or at a Battery, and will be required to conform to the Regulations of the Reserve to which they are attached. They will receive the same rate of pay that they would receive if called out by Proclamation, with lodging allowance of 3s. 6d. per day, provision allowance of 1s. 6d. per day, and mess allowance at 2s. per day in addition, and will not be required to join a Naval Mess.

3. A distinguishing mark will be placed in the Navy List against the names of Officers who have undergone this course of instruction.

4. The courses will commence on the first Tuesday in February, the first Tuesday in June, and the first Tuesday in October in each year, and candidates should make their applications through the Registrar-General of Seamen in sufficient time to allow of the necessary arrangements being made for the attendance of the selected candidates on the opening day.

5. Officers undergoing the course of instruction will not be required to provide themselves with uniform, but may wear the uniform of their rank at their own option.

6. Reasonable travelling expenses, including first-class railway fares, will be allowed, in accordance with the conditions stated in Art. 75.

(64.) Executive Officers who were on the List of the Royal Naval Reserve on 19th April 1895 will be required, should they not possess a Certificate of Competency granted upon examination subsequent to 31st August 1894, to produce a Certificate that they have passed the Board of Trade vision and colour tests as established in 1894, before appointment for service in the Royal Navy, whether for 12 months' training, Summer Manœuvres of the Fleet, or for short courses of Gunnery and Torpedo Instruction.

(65.) Officers when employed in the Fleet, whether on voluntary service in time of peace or when called out by Royal Proclamation, may, with the consent of

the Lords Commissioners of H.M. Treasury be granted temporary acting appointments in ranks higher than those held by them in the Reserve, or higher than those for which they are eligible at the time under the Regulations, *i.e.*, a Sub-Lieutenant may be appointed Acting Lieutenant and a Midshipman as Acting Sub-Lieutenant, and the Acting Officers shall be entitled to the rank and other privileges of their corresponding ranks in the Royal Navy. Such acting appointments shall cease at the pleasure of the Lords Commissioners of the Admiralty and the Officers will then revert to their original rank on the list.

2. Sub-Lieutenants will not, however, be appointed for short courses of Gunnery or Torpedo, as Acting Lieutenants, unless they at the same time volunteer for 12 months' training, or have already performed such training, and they will not be appointed for 12 months' training with the rank of Acting Lieutenant, unless they are over 27 years of age, or of 4 years' seniority, except under very exceptional circumstances.

(66.) Lieutenants Royal Naval Reserve who have gone through the 12 months' Naval training referred to in the preceding articles, and who volunteer for further service in the Fleet, are eligible for employment in lieu of Lieutenants of the Royal Navy at the discretion of the Lords Commissioners of the Admiralty, for periods of one, two, or three years. (*See* Paragraph 3, Article 69.)

2 Officers should state in their applications the period of temporary service for which they are desirous of serving, observing that the number of appointments made will depend upon the requirements of the Fleet.

(67.) Officers whilst embarked for voluntary service, or for Naval training, will be subject to the Naval Discipline Act, and when so serving will be considered for the purposes of that Act in all respects as Officers of Her Majesty's Ships.

2. It must be understood that in any case in which an Officer proves himself unsatisfactory as regards conduct or capacity he will be liable to discharge, by order of the Admiralty, at any time during the voluntary service or 12 months' training.

X.—*Annual Allowances to Trained Officers.*

(68.) At the expiration of the 12 months' training in the Royal Navy, provided the Officers have given general satisfaction as regards conduct and proficiency in Gunnery and Torpedo or Navigating duties, they will be granted Certificates, and will become entitled to the following Annual Allowances under the designation of "Training Fee," viz.:—

Lieutenants - -	25*l.* a year.
Sub-Lieutenants -	20*l.* "
Midshipmen - -	10*l.* "

2. When Officers who have become entitled to the training fee of one rank are promoted to higher rank (not acting) they will become entitled to the training fee of the ranks to which they may successively be promoted.

3. The higher training fee of £25 will not be given to Officers who served for their twelve months' training in the rank of Midshipman or Acting Sub-Lieutenant, until they have, subsequently, as Sub-Lieutenant or Lieutenant, passed a satisfactory qualifying course on board one of the Gunnery Ships.

This clause will govern the cases of Officers promoted to the rank of Lieutenant on and after the 16th May 1893.

(69.) An Officer on completing his training and obtaining the necessary Certificate is entitled to the training fee for the current calendar year without any drill for that year, and the rate of fee to be paid will be determined by the rank (not acting) held by the Officer on the date of completing his training.

2. In each subsequent calendar year so long as he remains on the Active List the Officer will be paid his training fee on the production of a Test Certificate for Drill (*See* Article 44) performed in the year or in advance in the previous year, and he may be paid at any time after the 1st January of the year. The rate of fee to be paid on such Test Certificate will be determined by the rank (not acting) held by the Officer on 1st January.

3. Lieutenants undergoing further service in the Fleet under Article 66 will not be paid a training fee in respect of the periods during which they are so employed. The training fees to be stopped will be those to which they would otherwise be entitled on each 1st January that they are temporarily employed in the Fleet.

4. In cases where the Admiralty are satisfied that owing to active employment in his profession, or to long service abroad, an Officer has been unable to put in his drill with annual regularity, he will, on obtaining a Test Certificate within four years from the termination of the year in which he last obtained a Test Certificate, be allowed to draw his training fees for back years.

5. If he fails to perform his drill and obtain a Test Certificate within such period, all training fees for that period, not already earned by a Test Certificate, will be forfeited, and he will, if he eventually obtains a Test Certificate, only be entitled to draw his training fee for the then current year.

(84.) Cases of Officers of the Royal Naval Reserve who receive hurts or wounds in the service are provided for under the Regulations for Pensions, Article 105, but those Officers who contract illness whilst serving in the Royal Navy shall receive pay up to the time of their discharge, or if abroad, until their arrival in England.

Extract from Supplementary Statutes of 24th June 1861.

It is ordained that the Military Division of the Third class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, of or above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, of or above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army, or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action against the enemy, in the command of a ship of war, or of our troops, or at the head of a Military Department, or as having by some Active Service, under his immediate conduct and direction, contributed to the success of any such action; provided, nevertheless, and We do hereby declare that this last-mentioned regulation shall not be applicable to Commissariat and Medical Officers, and instead thereof, We further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the Second and Third Classes of the said Order unless it shall appear to us that by his meritorious services in actual war, in providing for the wants of our Army, or of our Indian Military Forces, or in taking care of the sick and wounded Officers, Soldiers, and Seamen of our Army and Navy, or of our Indian Military and Naval Forces, he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign-Manual.

2. "Unless the Foreign Decoration shall have been conferred in consequence of active and distinguished Service, either at Sea or in the Field, such permission will not be given to any Subject of Her Majesty, except in the following cases, if recommended specially by the Secretary of State for Foreign Affairs:—

"(1.) The Chief of a Complimentary Mission from Her Majesty.

"(2.) A Military or Naval Attaché on the termination of his Appointment.

"(3.) Any person, not at the time in the Service of Her Majesty, who has rendered valuable service to the Sovereign bestowing the order outside Her Majesty's Dominions, or in an Embassy or Legation of that Sovereign in this country."

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from Naval or Military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms

9. When a British subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a Higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, June 23rd, 1898.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the Decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or Navy, should be addressed to the Commander-in-Chief, or the Lords of the Admiralty, as the case may be, who, if they see fit, may submit the same for Her Majesty's sanction; upon obtaining which they may grant such permission without other formality.

2. Any other British subject, having obtained Her Majesty's permission, is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed), SALISBURY.

Foreign Office, August 1885.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in he office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore

Digitized by Google

commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

*Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE

*Under Her Majesty's Order in Council, of the 2nd of February, 1899, their Lordships are authorised to increase the ordinary Victoria Cross Annuity of Ten Pounds, by a sum not exceeding Forty Pounds a year, in any case in which a Warrant Officer, Petty Officer, Seaman or Marine, who has gained the Victoria Cross, may be found by them to be, from old age or infirmity, not due to his own fault, in poor circumstances, and unable to earn a living; provided that the Annuity, together with any Pensions of which he may be in receipt from Public Funds, shall not exceed Fifty Pounds a year."

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is Our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our Reign.

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Fifthly. It is ordained that Foreign Officers who have been associated in Naval and Military operations with Our Forces shall be eligible to be Honorary Members of this Order.

THE ALBERT MEDAL.

WARRANT extending the two DECORATIONS styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in Saving Life on Land.

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under Our Royal Sign Manual, bearing date the 7th of March 1866, in the 29th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say:—

"*VICTORIA* R.

"Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

"Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of the Royal favour:

"Now for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents for Us, Our heirs and successors, institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained that the distinction shall be styled '*The Albert Medal*,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width with two white longitudinal stripes.

"Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

"Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar *may be* added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "*The Albert Medal*," and instituting in lieu thereof two new Decorations, to be styled respectively "*The Albert Medal of the First Class*," and "*The Albert Medal of the Second Class*:"

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant, above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled '*The Albert Medal of the First Class*,' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width with four white longitudinal stripes.

Digitized by Google

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled '*The Albert Medal of the Second Class*,' and shall consist of the like-shaped enamelled Badge, save and except in this Class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that '*The Albert Medal of the First Class*' shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts are graciously pleased to extend the two Decorations styled respectively '*The Albert Medal of the First Class*' and '*The Albert Medal of the Second Class*' to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances which shall from henceforth be inviolably observed and kept.

First.—It is ordained that "*The Albert Medal of the First Class*," when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V. and A., erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that "*The Albert Medal of the Second Class*," when conferred for Gallantry in saving life on land shall consist of the like badge save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes,

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the "London Gazette," and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril within Our dominions, other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained, that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the registry of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

GOOD CONDUCT MEDALS AND GRATUITIES.

SEAMEN.

718. Men holding any of the ratings specified as eligible for these awards in Appendix VI., who entered the service prior to the 1st of January 1853, may be recommended for the Good Conduct Medal and Gratuity, under the following rules. Pensioners who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

(*a.*) He must have served for 10 years with continuous Very Good character, and must never previously have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension.

(*b.*) He must have been recommended for it on his Certificate for the three consecutive years immediately preceding his application.

(*c*) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. To entitle a man to a Gratuity:—

(*a.*) He must have served for 15 years with continuous Very Good character, and must never previously have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension.

(*b.*) He must have been awarded the Medal and have never forfeited it.

(*c.*) He must have been recommended for the Gratuity on his Certificate for the three consecutive years immediately preceding his application.

(*d.*) He must have been continuously awarded a character above Good since he received the Medal until pensioned.

(*e.*) He must be recommended for it by the Captain under whom he is serving when his pension is applied for.

4. After a man has been awarded seven years of such continuous Very Good character as will under these Regulations count towards the Medal, the Captain will add to the character of Very Good given on his Certificate, whenever he is required to record it, the letters M. R. (Medal Recommended) should he consider him deserving thereof from his invariable Very Good conduct and Exemplary manner of performing his duties. After 12 years of such Very Good character the Captain will in like manner add the letters G. R. (Gratuity Recommended).

5. Exemplary is in all cases to be considered as equivalent to Very Good for Medal and Gratuity purposes.

6. Whenever the Captain sees fit to withhold the required recommendations he will record fully his reason in the Conduct Book.

7. No service can reckon for Medal or Gratuity which does not also reckon for pension.

8. A break in service, not due to desertion, dismissal, imprisonment, or misconduct on the man's part, will not be considered as breaking the continuity of his Very Good character, or of recommendation for the Medal or Gratuity provided that he rejoin within five years, or, if invalided, as soon as the state of his health permits.

9. Desertion, reduction to the second class for conduct, imprisonment, or the award of character less than Good during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 10, 11, and 12.

10. Imprisonment by the Civil Power shall not prejudice a man's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man were serving at home at the time, or, if abroad, by the Commander-in-Chief.

11. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any man who can show 15 years of continuous Very Good character, and who has been recommended as prescribed in Clause , (*b*), of this Article, notwithstanding anything he may have done, or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

12. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

13. The scale for Gratuities shall be as follows:—

	£
Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years..	20

Gratuities will not be given to men who serve after being pensioned.

14. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty it may be proper to award him.

15. Names of men recommended for Medals and Gratuities are to be transmitted to the Admiralty on the established form by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the District Captains of Coast Guard, as soon as the men become eligible for them, and when the approval of the Admiralty has been received, the Medals, when possible, are to be presented before the Ship's Company by the Captain of the ship. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the copies of certificate sent into Office.

16. Should the man's conduct not have been satisfactory, pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

17. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

18. If it be desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

19. In the case of men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under these Regulations.

20. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities, and not Very Good.

21. If a man die after the award of his medal, any gratuity to which he may be entitled will be paid to his widow, or nex of kin if dependent on him, provided he shal have completed time for Long Service Pension.

22. These Regulations apply to the Coast Guard Afloat and on Shore.

719. A Good Conduct Medal will be awarded to any man entered after the 31st of December, 1884, provided he serves for 15 years with continuous Very Good character, subject to the conditions stated in Clause 2, and provided he has been recommended for the award by his Captain, on his Certificate, for the three consecutive years immediately preceding his application, and is also recommended by the Captain under whom he is serving when he becomes eligible.

This applies to all boys who were under training, and to all boys who were under the age of 18, on the 31st December 1884.

2. Desertion and Reduction to the Second Class for Conduct (except one reduction within the first five years of a man's time, provided restoration takes place, within eight months, in consequence of continued good conduct for six months from the date of reduction, under the provisions of Clause 9 of Article 741) will render a man absolutely ineligible for the award of a Good Conduct Medal, except as provided for in the following Clause.

3. While 15 consecutive years of Very Good character, with previous character not inferior to Good, in service reckoning for Pension, will thus be necessary to entitle a man to a Good Conduct Medal, the Admiralty will nevertheless consider any recommendation which may be made, under special circumstances, on behalf of a man who can show 15 years of continuous Very Good character, although he may be disqualified under Clause 2 for the award of a Medal under the ordinary Regulations.

4. After a man has been awarded 12 years of such continuous Very Good character as will, under these Regulations, count towards the Medal, should his character continue to be Very Good the Captain, if he considers him deserving thereof, is to enter in the column provided for the purpose whenever he is required to assess the man's character on his Certificate under Article 765 the letters M. G. R. (Medal and Gratuity Recommended) in the case of a Continuous Service Man, and the letters M. R. (Medal Recommended) in the case of a Non-Continuous Service man. When the assessment is entered on the Conduct Sheet, and not on the Certificate, the letters M. G. R. or M. R. are to be entered thereon.

5. Clauses 6 to 10, and 15 to 18, inclusive of Article 718, are applicable to men who enter after the 31st of December 1884.

6. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character be maintained, will commence earning a Gratuity at the rate of 1*l.* a year, not to be paid until pensioned, unless he is invalided in the meantime when he will be paid the proportion due, viz.:—

	£
If discharged after 1 year from date of award or restoration of Medal	1
" " 2 years " "	2
" " 3 years " "	3

and so on.

To this will be added for each year's service in the following ratings after the date of the award of the Medal:—

	£	*s.*	*d.*
Chief and 1st Class Petty Officer ..	2	0	0
2nd Class Petty Officer	1	0	0
Leading Seaman..	0	10	0

until the maximum is reached, which will be, for a—

	£	*s.*	*d.*
Chief and 1st Class Petty Officer ..	15	0	0
2nd Class Petty Officer	10	0	0
Leading Seaman..	7	10	0
Able Seaman	5	0	0

7. Should a man be deprived of his Medal, he will lose a claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz., 5*l.*, will be awarded.

8. Should a man be awarded the character of Good, instead of Very Good, after the grant of a Medal, the period of service during which the character of Good is awarded will not count for increase of Gratuity, notwithstanding that the Medal has not been taken away.

9. In cases where men who have completed time for pension re-engage for a further period of five or seven years, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the regulations.

10. Should a man be invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

11 Should a man die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

12 Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a Gratuity.

13 The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

IV. GOOD CONDUCT MEDALS AND GRATUITIES MARINES.

1,221. Marines afloat or ashore, below the rank of Warrant Officer, enlisted prior to the 1st of January 1885 may be recommended for the Good Conduct Medal and Gratuity under the following rules. Pensioners who return to the Service within five years or their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a Marine to the Medal—

(*a.*) He must have served for ten years with continuous Very Good character, and must never previously have been awarded a character below Very Good unless for a period not exceeding one year in his first five years reckoning for pension, provided the character for that year be not below Good.

b. He must have been recommended for it on his Certificate for the three consecutive years immediately preceding his application;

c. He must be recommended for it by the Captain or Commandant under whom he is serving when he becomes eligible.

3. To entitle a Marine to the Gratuity—

a. He must have served for 15 years with continuous Very Good character, and must never previously have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension provided the character for that year be not below Good.

He must have been awarded the Medal and have never forfeited it;

c. He must have been recommended for the gratuity on his Certificate for the three consecutive years immediately preceding his application;

d. He must have been continuously awarded a character above Good from the time he received the Medal until pensioned;

e. He must be recommended for it by the Captain or Commandant under whom he is serving when his Pension is applied for.

4. After a Marine has been awarded seven years of such continuous Very Good character as will, under these regulations, count towards the Medal, and should his character continue to be Very Good, the Captain or the Commandant should not consider him deserving thereof from his invariable Very Good Conduct and Exemplary manner of performing his duties, will add to the Very Good given on his Certificate, whenever he is required to record the Marine's character, the letters M.R. (Medal recommended), and after 12 years of such Very Good character, the Captain or the Commandant will, in like manner, add the letters G.R. (Gratuity recommended).

5. Whenever Exemplary is awarded it shall in all cases be understood as being equivalent to Very Good for Medal and Gratuity purposes. (See clause 27).

6. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons in the Conduct Book, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will do so in the corresponding record at the Divisional Head Quarters.

7. No service can reckon for Medal or Gratuity which does not also reckon for Pension

8. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal and Gratuity, provided should he be eligible for re-entry, he rejoin as soon as the state of his health will permit, and complete the required service.

9. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on promotion, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

10. Desertion, fraudulent enlistment, reduction to the Second Class for conduct, imprisonment, (when time and pay are forfeited) or the award of character less than Good during any portion of the time which reckons for Pension, shall render a Marine absolutely incligible for the Medal or Gratuity, except as provided for in clauses 11, 12, and 13.

11. Imprisonment by the Civil Power shall not prejudice a Marine's claim to the Medal or Gratuity unless in the case of a Marine serving at home, it shall have been so directed by the Admiralty, or, if abroad, by the Commander-in-Chief.

12. In order not entirely to exclude from the honour of a Medal, a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a Very Good character the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any Marine who can show 15 years of continuous Very Good character, and who has been recommended as prescribed in clauses 2, sub-clause 6, and 4 of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except Bad or Indifferent, in his previous service

13. The Admiralty will also consider the case of any Marine who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded

14. A Marine to whom a Medal has been awarded may be deprived of it summarily for misconduct, by warrant, under the hand of his Captain, subject to the ultimate approval of the Commander-in Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and will carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accountant-General.

15. Should a Non-commissioned Officer holding a Good conduct Medal be reduced for misconduct he is to be absolutely deprived of his Medal.

16. Desertion, disrating for misconduct, reduction to the 2nd Class for conduct, imprisonment by the Civil Power or otherwise, or the award of a character inferior to Very Good after a Medal has been awarded, entails forfeiture of the Medal, except as provided for in the following Clause 17; but if pensioned within 12 months of his deprivation and before regaining the Medal, the man will be considered in regard to Pension as in possession of the Medal.

17. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

Should a Badge be taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

Should the Badge be not regained within 12 months from the date of deprivation, the Medal is absolutely forfeited, and the deprivation is to take place publicly.

Should two or more Badges be taken away, and not one only, or should a Marine lose a second Badge, his Medal is absolutely forfeited, and the deprivation is to take place publicly.

18. The Good Conduct Medal of a Marine which has been forfeited for misconduct under any of the foregoing clauses may be restored, with the sanction of the Admiralty, on the completion of his time for Pension, provided his character during the last five years of his service has been Very Good.

19. Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

20. The scale for Gratuities shall be as follows:—

	£
Non-commissioned Officers in Class 1, Art. 1,232, having served as Staff-Sergeants and Sergeants of Royal Marines for not less than 10 years - - -	20
Sergeants in Classes II., III., and IV., Art. 1,232, having served as such for not less than 10 years- - - -	15
Corporals and Bombardiers, having served as such for not less than 7 years - -	10
Gunners, Privates, Musicians, and Buglers	5

Gratuities will not be given to Marines who serve after being pensioned.

21. In cases where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him

22. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on

the established form, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Deputy Adjutant-General, as soon as the Marines become eligible for them; and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's company by the Captain of the Ship, and in the case of Marines on shore, by the Commandants on parade. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the Copies of Certificates sent into office

23. If, pending the presentation of the Medal, the Marine's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

24. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a Marine who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he shall have completed 15 years of service reckoning for Pension, in which case he may retain it. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

25. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

26. In the case of a man who has served in the Army prior to joining the Royal Marines, and whose former (Army) service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army, as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 4.

27. In the case of Marines in the Service before the 1st July 1876, previous Very Good character will be allowed to reckon for the Medal and the Gratuity, provided their conduct has been such as to render them deserving thereof under these regulations.

28. Between the 1st July 1876 and 30th June 1880 inclusive, Exemplary Character only will reckon towards Medal and Gratuity and not Very Good.

29. If a Marine die after the award of his medal, any gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

1,222. A Good Conduct Medal will be awarded to any Marine below the rank of Warrant Officer enlisted after the 31st of December 1884, provided he serves for 15 years with continuous Very Good character, subject to the conditions stated in Clause 2, and provided he has been recommended for the award by the Captain of his Ship, or Commandant of his Division, on his Certificate, for the three consecutive years immediately preceding his application, and is also recommended by the Captain of the Ship, or Commandant of his Division, under whom he is serving when he becomes eligible.

This applies to all Marines who were under the age of 18 on the 31st December 1884.

2. Desertion and Reduction to the Second Class for Conduct (except one reduction within the first five years of man's time provided restoration take place within 8 months in consequence of continued good conduct for 6 months from the date of reduction under the provisions of Clause 9 of Art. 741) will render a man absolutely ineligible for the award of a Good Conduct Medal, except as provided for in the following clause.

3. While 15 consecutive years of Very Good character, with previous character not inferior to Good in service reckoning for Pension, will thus be necessary to entitle a Marine to a Good Conduct Medal, the Admiralty will nevertheless consider any recommendation which may be made, under special circumstances, on behalf of a Marine who can show 15 years of continuous Very Good character, although he may be disqualified under Clause 2 for the award of a Medal under the ordinary regulations.

4. After a Marine has been awarded 12 years of such continuous Very Good character as will, under these Regulations, count towards the Medal, and should his character continue to be very good, the Captain of his Ship, or the Commandant of his division, should he consider him deserving thereof, is to enter in the column provided for the purpose, whenever he is required to assess the man's character on his Certificate under Art. 765, the letters M.G.R. (Medal and Gratuity Recommended).

When the assessment is entered on the Conduct Sheet, and not on the Certificate, the letters M.G.R. are to be entered thereon.

5. Clauses 6 to 11, 14 to 19, and 22 to 26, inclusive, of Art. 1,221, will be applicable to Marines who enter after the 31st of December 1884.

6. From the date of the award or restoration of a Medal, a Marine, provided his character be maintained, will commence earning a Gratuity at the rate of 1*l.* a year, not to be paid until pensioned, unless he be invalided in the meantime, when he will be paid the proportion due, viz.:—

If discharged	after 1 year from date of award or restoration of Medal	£ 1
"	2 years " "	2

and so on.

To this will be added for each year's service in the following Ranks after the date of the award of the Medal:—

	£	*s.*	*d.*
Non-commissioned Officer in Class I.	2	0	0
Sergeant in Classes II., III., and IV. -	1	0	0
Corporal and Bombardier - - - -	0	10	0

Sergeant in Classes II., III., and IV. -	10	0	0
Corporal and Bombardier - - - -	7	10	0

7. Should a Marine be deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.*, will be awarded.

8. After the grant of a Medal, should a Marine be awarded the character of Good, instead of Very Good, the period of service during which the character of Good is awarded, will not count for increase of Gratuity, notwithstanding that the Medal has not been taken away.
